

## **Log Cabin Wilderness Lodge – A note about COVID-19**

**Like most of the hospitality industry, Log Cabin Wilderness Lodge has been GREATLY effected by the travel bans, closures and event cancellations impacted by the Corona virus (COVID-19). We hope all are doing their part to stay safe during this pandemic, and look forward to when we can return to normal.**

**As such, we continue to remain open for essential travel following these guidelines. We want to keep our guests as safe as possible during their stay! As such, we will continue to take reservations via telephone at 907-883-3124, our website and email and discussing circumstances with potential guests through at least September 30th.
